Dear FCC:

Dear Sir or Madam:

It has come to my attention that as soon as November 7, 2002, the prices may go up for Tracfone prepaid service. I am only 14 years old, and I really can't afford much more to spend on prepaid service as it is already expensive enough. It would be to everyone's advantage to keep the prices just the way they are. We would all appreciate it a lot.

Respectfully,

Christopher L. Piper

Thank you for your prompt attention to this matter. Please provide a written response indicating the status/resolution of this matter.
